Videos for all main acts, plus a company show-reel, online at www.acrojou.com

DUST, GERMAN WHEEL DUET:

Combining cutting edge contemporary circus with Acrojou Circus Theatre's renowned visual style, Dust is a stunning spectacle that will both inspire and amaze. Created and performed by the UK's leading German wheel duo, these amazing and unusual acrobatic skills are seamlessly blended with beautifully choreographed contemporary dance.

This act is completely unique, both in its acrobatic skills and visual style. Be prepared for your heart to soar as the wheels propel the acrobats through the air and a mist of swirling dust with grace and effortlessness.

Dust was premiered at The Circus Space, London, in 2007 to a spellbound audience.

Dust has very specific safety requirements. Please give your full attention to the technical specifications sheet.

Basic information

- German wheel duet: two wheels, two acrobats
- Designed to be performed in atmospheric lighting, ideal in indoor settings with lighting, not recommended for daylight performances
- Very specific safety requirements, please download or request a technical specifications sheet
- Duration of eleven minutes
- Two performances per day

THE WHEEL HOUSE, GERMAN WHEEL WALKABOUT:

Commissioned by Without Walls and directed by Flick Ferdinando.

Groundbreaking new company, Acrojou Circus Theatre, defy gravity and conventions with The Wheel House: an entire home captured in a fish eye lens, a cylindrical journey into the surreal world within, a kaleidoscopic piece of rolling theatre!

The Wheel House blends acrobatics, dark comedy and stunning design, in a Petri dish of highly original theatre. Join these travellers on the road to nowhere, and experience for yourself their clanking and comically beautiful universe.

Basic information

- Strolling theatre performance
- Duration of 45 minutes per performance
- Three performances per day
- Please download or request a technical specifications sheet prior to booking
- Ideal for outdoor and indoor events
- Comes with internal lighting, so works well both in daylight or after dark
- Needs dry and even ground

THE JESTERS, WALKABOUT

The Jesters are a pair of comic acrobats, with stunning costumes of antique leather and crushed velvet specially designed and hand stitched by acclaimed costume creator, Ilona Karas.

Jingling silver bells and polished bones, they will cavort amongst your guests with acrobatic grace. The Jesters are an act unlike any other walkabout available, and will add a high class, stylish and original touch to any event.

They are available both as a duo or singly, and can perform either on powerskips*, standard stilts or as a floor based musical duo: one Jester tumbling playfully whilst the other accompanies on accordion.

*Powerskips are sprung stilts that enable the performer to jump to heights of up to 6 foot.

Basic information

- Powerskip / stilt / or acrobatics and accordion walkabout
- Available as a solo or duo performance
- Duration of up to 30 minutes per performance
- Three performances per day
- Please download or request a technical specifications sheet prior to booking
