~ THE JESTERS ~
ON POWERSKIPS

TECHNICAL SPECIFICATIONS SHEET 0903

PROGRAMMING: The Jesters are a comic and visually beautiful act. They are suitable for audiences of all ages, as well as international audiences. As a walkabout act, The Jesters travel through the audience performing to the nearest spectators, and thus can comfortably cater for both large and small events.

VENUE: The Jesters are suitable for both indoor and outdoor events.

FLOOR SURFACE: **Reasonably flat, level and hard ground.**

We can perform on most hard surfaces, including grass **as long as it is level and dry**. We cannot use the powerskips on wet grass, or cobblestones.

If you are in unsure if the surface is suitable, please contact us.

SCHEDULING: Three performances a day, 30 minutes each.

Please allow the performers a minimum break of 45 minutes between sets.

STORAGE: We will need secure storage (i.e., a secure dressing room) for the powerskips for the duration of the following times:

1. A suitable period prior to the first performance.
2. Between performances.

Damage to/ loss of the equipment occurring during the time in which the equipment is in the care of the event (event storage, security etc) would be the responsibility of the event/ client.

VEHICLE ACCESS: Vehicle access to the performance or storage site.

SET-UP TIME: **2.5 hours total set-up time.**

1. Site check/ route planning: 30 minutes.
2. Costume/ make-up: 60 minutes.
3. Warm-up: 60 minutes.

DRESSING ROOM: Secure and heated changing and warming up area for a suitable time before/ after the performances.

PERFORMANCE AREA: The Jesters are a walkabout performance that moves through the crowd, performing to the nearest spectators, and therefore do not require a cordoned off area.

HEIGHT: 4.5m minimum.

STEWARDING: **In the instance of very large/ boisterous crowds, or events at which the consumption of alcohol is likely to be excessive, the provision of stewards is advisable.**

SAFETY: **We reserve the right to suspend or cancel the performance if the circumstances are unsafe for the performers/ audience.**

These circumstances include:

1. Unsafe weather or ground conditions.
2. Out of control crowds.

If it is necessary to suspend or cancel the performance due to unsafe conditions, Acrojou Circus Theatre shall not be liable for the provision of compensation, nor shall they forfeit any previously agreed fee or expenses relating to the performance.

LIGHTING: We do not require any lighting for this performance.

SOUND: We do not require a PA system for this performance.

WEATHER: **Unfortunately, we are unable to use the powerskips: in rain, stormy conditions, upon wet surfaces or on damp grass.**
